

EAD Global Consulting: Security and Risk Management Solutions

In a global environment where risks are constantly evolving, EAD Global Consulting stands out by providing specialized security and risk management services. Our holistic, tailored approach empowers organizations to identify, assess, and mitigate a wide range of threats, from operational risks to geopolitical challenges. Backed by a team of experts and advanced technology, we turn risks into opportunities to strengthen and protect your business.

Our Four Pillars

- 1** Security and Risk Consultations: We set a new standard in our Consultations, with top level intelligence assessments, exclusive access to informational databases, and a cadre of experienced investigators.
- 2** Our Executive Protection Services maintain a high standard, with vetted armed and unarmed protective assets that have completed the most recent training in state-of-the-art facilities in the USA.
- 3** Our Executive Training facility is designed to prepare today's executives with the tools and knowledge to detect and evade evolving threats, survival preparedness, and tools for escape and rescue.
- 4** We offer state-of-the art security equipment, including tracking and surveillance equipment, personal defense equipment and protection equipment.
